Nevada Voting System Approval Process

Under Nevada law, a voting system and any modification to a voting system must be approved by the Secretary of State before it can be used in any election (NRS 293B.105). In addition, a voting system must meet or exceed Federal standards for voting systems before such system can be approved for use in Nevada.

- Application for State Certification of Voting System (MS Word)
- Nevada Revised Statutes: Chapter 293B - Mechanical Voting Systems
- Nevada Administrative Code: Chapter 293B - Mechanical Voting Systems
